Leading Health Systems, Pharmaceutical & Medical Device Makers and Medical Universities will be joining us for this momentous occasion.

There will be a Medical Expo showcasing exhibits by our Medical Reps. The Medical Conference will showcase brief talks in segments of 15 min and 30 min presentations. Talks are unrestricted and Speakers may present on medical products, services, procedures and therapies.

Concurrently, we will host a 'Meet the Deans of Medical Colleges' Conference in a separate area for our young adults who aspire to embark on a career in Medicine, Dentistry, Nursing, Bio-Medical Research, Pre-Med Studies, Veterinary Science, Physical Therapy, Psychology and Healthcare Administration.
