

BIMDA MEDICAL EXPO & CME APRIL 27, 2013

Education

A full day featuring world-class speakers from institutions that

Expo

A chance to connect local manufacturers, suppliers, facilities, and pharmaceutical

Reception

Networking, Dining, and Entertainment like no other event. The

CME Sessions

“As we enter an uncertain environment in health care with the advent of health care reform, physicians need to work alongside with area hospitals to bring cost-effective care to the citizens of Brevard County. BIMDA is providing a platform for the same”

-Dr. Ashok Shah, internist, BIMDA Board of Regents member and Parrish Medical Center board member.

BIMDA EXPO

"BIMDA seeks ways to bring together the various branches of medicine and dentistry to present the patient with an overall health evaluation. It is exciting for us to get together and learn the latest about each other's specialties."

-Dr. Rao Kopuri

*BIMDA's first Orthodontist
President*
