**Letter of Request for financial Support / Event Sponsorship**

June 23, 2013

**Dear Sponsors, Members, Friends & Supporters of BIMDA:**

We are pleased to announce our Annual BIMDA Medical Conference to be held on Saturday, November 23, 2013. This is Florida's annual medical conference managed by an all-volunteer physician team based in Brevard County, East Central Florida – which is also known as “The Space Coast”.

This annual event draws over 500 physicians from all corners of Brevard and neighboring counties, including Indian River, Orange, Osceola, Volusia, Seminole, St Lucie and Palm Beach.

The BIMDA Medical Conference is a unique platform that brings together physicians, nurse practitioners, physician assistants, hospitals, medical service providers, device makers, pharmaceutical companies, risk managers, educators and researchers - for a day of learning and professional networking. The program offers 5 hours of Category 1 CME credit hours and a separate venue for medical and professional exhibitors to showcase products and services. This is an event unlike any other. This event is open only to medical professionals and not to the general public.

We welcome you to be a financial supporter of this event. All support is used to run and manage the event, which offers a state-of-the-art conference setting, complete with high-tech projection, audio-video and staging. Attendees will enjoy a unique atmosphere that is very conducive to learning with a high attention span that is enhanced with regular networking breaks and refreshments. There is no charge for physicians to attend the event. Your support is used to run this big event.

We have two major segments for potential sponsors to participate in:

1. Support the daytime Medical Conference from 8 AM to 2 PM
2. Support the evening Dinner Program from 5 PM to 11 PM

We will showcase distinguished speakers from the medical field during both segments. Participating companies may engage in one or both segments.
