Dear Friend,

We are delighted to announce our upcoming event, "An Enchanted Evening In India"! Doctors Shekhar & Minal Desai are opening their beautiful home at 311 Lansing Island Drive on Friday, November 11th from 6:30 to 10PM for this special evening. There will be homemade Indian appetizers, specialty drinks, cultural Indian style dancers and silent and live auctions. **Enclosed is sponsor and ticket information for this event. You may also visit our website, womenscenter.net to purchase tickets. We thank you in advance for your generosity and can't wait to see you on the 11th.**

As you know, the Women's Center's mission is to empower women and their families by providing support, education, counseling, information and services. Having a comprehensive community resource like the Women's Center means if a woman needs a place to live, counseling or help against domestic violence, they have a place to turn. Last year the Women's Center provided services to more than 10,000 clients.

Thank you for helping the Women's Center in *providing poverty and homelessness prevention, mental health, domestic and sexual violence services for our community*. Should you have any questions or if we may be of further service to you in any way, please do not hesitate to contact Jenn Gould at 321-242-3110 Ext. 2125 or email jgould@womenscenter.net.

Sincerely yours,

"An Enchanted Evening In India" South Guild Committee
